The best Doctor is often unable to find the cause of many of these headaches, and in most other cases, knowing the cause, he does not know what will remove it, so as to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again pecessage. If you suffer from ment is again necessary. The fact that Norwich university is a member of the reserve officers' training corps, and cadets attending this institution are not, under the present law, subject to draft, has had but very little bearing on the applications for enrollment, for possibly none of the cadets who have enrolled for next year are aware of this fact.
